

## KIM CORREA

Phone: 480.570.5277  
kim.correa@ubc.ca  
Vancouver, British Columbia, Canada

### EDUCATION

---

- PhD** University of British Columbia, School of Information Library, Archival, and Information Studies In progress  
Advisor: Dr. Hannah Turner  
Title: The Anti-Surveillance Practices of Grassroots Activists in the Era of Surveillance Culture  
*Four Year Doctoral Fellowship Recipient*  
*British Columbia Graduate Scholarship Recipient*
- MLIS** University of British Columbia, School of Information June 2022  
*Designing for People* concentration  
Project: *Creating an Assessment for Community-Based Organizations Using Data Justice Principles*
- BA** University of Washington, Bothell May 2017  
Media and Communication Studies, Cum Laude  
Minor in Gender, Women, and Sexuality Studies

### TEACHING EXPERIENCE

---

- Teaching Assistant**, UBC iSchool January 2026-April 2026  
LIBR 598 – Portfolio Synthesis (Dr. Julia Bullard)
- Facilitated and created materials for weekly online and in-person discussion groups
  - Graded assignments for 46 graduate students
- Instructor of Record**, UBC iSchool September 2025-December 2025  
INFO 200 – Foundations of Informatics
- Created and delivered lectures and seminar classes for 64 undergraduate students
  - Supervised one Teaching Assistant
- Teaching Assistant**, UBC iSchool September 2024-December 2024  
INFO 200 – Foundations of Informatics (Dr. Hannah Turner)
- Full solo facilitation of seminar session of 26 undergraduate students
  - Graded assignments for 26 undergraduate students
  - Held office hours and individual student project consultations
- Teaching Assistant**, UBC iSchool September 2023-December 2023

INFO 200 - Foundations of Informatics (Dr. Hannah Turner)

- Graded assignments for 48 undergraduate students
- Co-facilitated seminar sessions
- Held office hours and held individual student project consultations

## GUEST LECTURES

---

**The Anti-Surveillance Practices of Grassroots Activists in the Era of Surveillance Culture** February 26, 2006  
UBC iSchool  
LIBR 561, Information Policy

**Surveillance Culture and Activism**, UBC iSchool February 25, 2025  
LIBR 561, Information Policy

**Surveillance and (meta)data**, UBC iSchool September 23<sup>rd</sup>, 2024  
ARST 556L/LIBR 514L, Metadata

## RESEARCH EXPERIENCE

---

**Risk Communication Tool Designer**, Digital Health Innovation Lab May 2021-May 2022  
BC Children's Hospital - Vancouver BC

- Transcribed research interviews
- Created materials for co-design sessions of a risk communication tool
- Iterated on designs of a risk communication tool
- Collaborated with academic librarian on a scoping review
- Co-coded six interviews and assisted in creating codebook

**Student Researcher**, Collective for Gender+ In Research September 2020-May 2022  
UBC Office of Regional and International Community Engagement - Vancouver, BC

- Collaborated with a multidisciplinary team to iterate on several drafts of a guide for community-based organizations around data justice principles
- Conducted and facilitated exploratory research interviews with three community organizations
- Simplified academic jargon to plain language through iterations of the guide to make a more accessible product
- Surveyed and synthesized academic, organizational, and grey literature
- Co-created an organizational assessment for community organizations working within a data justice framework

**CREATE Trainee**, Designing for People Research Cluster September 2020 – May 2022  
UBC Department of Computer Science - Vancouver, BC

- Collaborated with a multidisciplinary team to analyze, assess, and create a new onboarding process for a local settlement agency
- Co-facilitated co-design sessions with settlement agency employees

- Collaborated with a multidisciplinary team over a period of four months to create a medium-fidelity prototype of a heart health monitor with an emphasis on women users
- Wrote, distributed, and analyzed survey and consent forms through Qualtrics

**Graduate Academic Assistant**, Supporting Transparent and Open Research Engagement & Exchange  
May 2020-August 2021

UBC School of Information - Vancouver, BC

- Scheduled bi-monthly meetings for a research team of seven co-investigators, as well as guests and students
- Updated website and social media accounts with relevant news related to the project
- Compiled two years of project documentation into a usable and readable report for the research team

## PRESENTATIONS

---

**Conference Presentation**, “*Bucky Barnes shows love through surveillance*”: *sensemaking surveillance through fan-generated tags on Archive of Our Own*, (co-authored with Melissa Nelson), University of British Columbia iSchool Research Day, 5 March 2026

**Conference Discussion Group**, *Resistance to Surveillance and Censorship*, University of British Columbia iSchool Research Day, 7 March 2025

**Conference Presentation**, *For a Dying Planet: At the Nexus of Climate Change and Surveillance Technologies*, University of British Columbia iSchool Research Day, 15 March 2024

**Conference Abstract and Presentation**, *Guiding the Development of a Tool to Help Inform Pediatric Postsurgical Pain Management: A First Glance at Focus Group Data from Family and Patient Partners*, Putting Patients First Conference, 10 March 2022, Co-Presenter.

**Conference Abstract and Presentation**, *Prototype Development of a Tool to Communicate Post-Operative Pain Risk of Children – Results of Clinician and Patient Focus Groups*, E2i Fall Research Forum, 23 November 2021

---

#### SERVICE

**CAIS Annual Conference Student Committee Member** December 2025-present  
Conference of the Canadian Association for Information Science

**Reviewer** July 2025 - present  
*Surveillance and Society*

**iSchool Research Day Student Committee Member** November 2025-March 2026  
University of British Columbia iSchool

**Conference Reviewer** Spring 2025, Spring 2026  
ASIST Annual Meeting, CAIS Annual Conference

**Doctoral Student Association President** September 2024 - October 2025  
University of British Columbia iSchool

**Doctoral Student Committee Student Representative** December 2024 - April 2025  
University of British Columbia iSchool

---

#### PROFESSIONAL TRAINING AND EVENTS

**Surveillance Studies Network Biennial Conference** (with doctoral colloquium)  
9-12 June, 2026, Lille, France

**iConference** (with doctoral colloquium)  
23-26 March, 2025, online

**Surveillance Studies Network Biannual Meeting**  
27-28 May, 2025, Ottawa, ON

**ASIST Conference**  
Generative AI and the Future of Information Science Education workshop  
25-29 October, 2024, Calgary, AB

**ACM Conference on Computer Supported Cooperative Work**  
14-18 October 2023, attended virtually

**Trauma Informed Interview Training, the Climate Disaster Project**  
University of British Columbia's Centre for Climate Justice  
August-September, 2023, 21 hours over 4 days

**Centre for Teaching, Learning, and Technology's Instructional Skills Workshop**  
University of British Columbia  
Feb 5, 11-12 2023

**Centre for Teaching, Learning, and Technology's Foundations of Pedagogy course**  
University of British Columbia  
Feb – March 2023

**Hacking Pain: Chronic Pain Hackathon**  
Providence Health Research  
Vancouver, 26-27 November 2021

**Using NVivo for Literature Reviews**  
NVivo Virtual Conference, 22-23 September 2021

**Harnessing NVivo Classifications for Different Research Designs**  
NVivo Virtual Conference, 22-23 September 2021

**Essentials of Productive Teams**  
Mitacs Training, 16 March 2021
